SENSATIONAL CHARGES.

Frankfort, April 27.—It is said that efforts are being made to have Dr. E. B. McCormick, superintendent of the Hopkinsville asylum, removed on sensational charges, connecting him with a young lady attendant. The governor hasn't acted. It is said that Dr. McCormick has many supporters who say the charges are unfounded, and that the agitation is a result of spite.

BUSINESS CHANGE.

MR. JAS. A. RUDY ACQUIRES MR. W. C. ELLIS' INTEREST IN ELLIS, RUDY & PHILLIPS.

Mr. Jas. Rudy has acquired the interest of Mr. W. C. Ellis in the dry goods firm of Ellis, Rudy & Phillips, and Mr. Ellis retires on account of ill health.

On June 15, there will be a new firm, to be known as Rudy, Phillips & Co., composed of Messrs. Jas. Rudy and R. B. Phillips.

Mr. Ellis has been a member of the firm since January 1st, 1895, when he bought out Mr. T. C. Leach, Sr., and Mr. Phillips since 1891, when he went in as a clerk. Mr. Rudy has been a member since the establishment of the firm.

His industry and excellent business judgment Mr. Phillips has reason to believe is now one of the two proprietors.

The firm is one of the largest and most up-to-date in the entire state, and is soon to extend its business into another building, more room being necessary to accommodate its constantly increasing business. It will occupy in addition to its present spacious building, that occupied by J. J. Hatch, which will be fitted up for its special use.

The firm is progressive and full of enterprise, and deserves the success it has won in Paducah.

DIED IN ASYLUM

Mr. G. U. Leisner, Well-Known Grocerman, Passed Away at Hopkinsville Today.

HAD BEEN THERE A WEEK

Went Crazy Two Weeks Ago Over a Fine—He Leaves a Wife and One Child.

A POPULAR AND RESPECTED MAN

Mr. George Ulrich Leisner, the well known grocer and saloon keeper at Sixth and Trimble streets, died this morning at the Hopkinsville asylum, whither he was sent one week ago.

Mr. Leisner suddenly lost his mind, presumably over a fine of \$20 assessed against him in the circuit court two weeks ago, for selling on Sunday. He became violent on Monday, April 16 and had to be incarcerated in jail.

When it became apparent that he could not recover, he was adjudged insane and conveyed to Hopkinsville for treatment at the asylum.

His collapse followed, and death was doubtless a relief to the afflicted man.

Mr. Leisner was born in this county on May 14, 1858, his parents having both emigrated from Germany.

He was married to Mrs. Bettina Leisner on September 24, 1883, and leaves one son, Earl, and two step children, Mr. Henry and Miss Katharine Leisner.

For many years he had been in the grocery business at Sixth and Trimble streets, and was one of Paducah's best known citizens. He was generally liked, and his untimely death will be greatly deplored by a large circle of friends.

Mr. Leisner's mental collapse seems to have been hereditary. His mother lost her mind and jumped into a well years ago and a sister died in the asylum, while a brother cut his throat and killed himself while temporarily insane a few years ago in Paducah.

Mr. Leisner was a member of the German Lutheran church, and the remains will be brought to the city for burial.

The funeral will take place tomorrow afternoon from the German Evangelical church at 4 o'clock. Rev. Hartenberger officiating. Burial at Oak Grove.

NOW A MILLIONAIRE.

LAWYER OF SMITHLAND BECOMES WEALTHY IN TEXAS.

A great many people in Paducah remember Mr. Fred Fleming, a Livingston county boy who has grown immensely wealthy in the Texas oil fields. He studied law at Smithland and left in 1881 for Texas without a cent of money. He did well, and has been back on visits several times since. His father, Mr. J. J. Fleming, fell out of the second story of the St. Nicholas hotel a few years ago and was killed.

Mr. Fleming a short time ago sold out his interests in the oil lands for \$1,250,000.

MR. LEAKE'S CONDITION. Mr. Chas. M. Leake is thought to be slightly better today, and his physicians have hope of his recovery, which will be welcome news to his many friends.

AN ENJOYABLE REUNION

Daan's Band Wins the First Prize in the Band Contest—Paducah Baseball Club Also Won.

MR. FRED HEILBRON IS HONORED

The Joe Fowler with the Paducah Odd Fellows and their friends, returned from Mound City, Ill., about 5 o'clock this morning. Everybody was delighted with the trip, and Mound City was warmly praised for her hospitality.

The first thing in the afternoon after their arrival was the big parade, headed by Mangum lodge, Ingleside lodge and Daan's band.

The Ladies of the Rebekahs, from Paducah, with natty white caps and parasols, captured the crowd.

At 2:30 addresses were made by Judge Walsh, Grand Secretary Jas. B. Miller and Hon. A. B. Burnett, the latter of Murphysboro, Ill.

Following that was an exemplification of degree work by the Rebekahs of Parthenia lodge, Cairo, which was very fine.

At 6:15 p. m. the band concert for the prize took place. The contestants were Daan's band, of Paducah, the Metropolis band, with two of Murphysboro's best players, and the female band of Murphysboro. Daan's band was awarded first prize, the Metropolis band second prize and the Murphysboro band third prize.

The inter-state association met in the evening and Murphysboro, Ill., was unanimously chosen as the place of meeting next year.

The officers elected were: G. J. Murphy, of Mound City, Ill., president.

E. A. Wilson, of Mound City, Ill., vice president for Illinois.

Mr. Fred Heilbron, of Ingleside lodge, Paducah, vice president for Kentucky.

C. M. Bradley, of Murphysboro, treasurer.

A. B. Garrett, of Murphysboro, secretary.

Following this came a creditable display of fireworks and a parade by the Knights of the Mystic Krow of Comus and the Modern Woodmen of America, of Cairo.

There were two big balls, and the boat did not leave for Paducah until after midnight.

In the afternoon the Brookhill baseball club of the city, defeated the Mound City club by a score of 15 to 5.

Other prizes awarded were: Prize for best attendance of membership, Bandana, Ky., lodge which had 37 out of 38 members.

Mangum lodge took the prize for best appearance in line.

GIVEN TWO YEARS.

NEGRO SENTENCED AT SMITHLAND TODAY FOR MARIJUANA CUTTING.

John Pippin, colored, was tried today at Smithland on a charge of maliciously cutting another negro, and given two years in the penitentiary.

There have been few criminal cases tried at this term.

A fine repast will be the lunch set by Sam Gott tonight.

THE RAILROAD.

ENGINEER NOURSE HURT LAST NIGHT AT CAIRO.

Railroad Suits Tried at Smithland and Decided Yesterday—Other Notes of Interest.

Engineer Joe Nourse returned from Chicago last night. He was one of the adjusting committeemen sent from Paducah to confer with the high officials at Chicago. He did not return with the others but stayed over a few days.

Master Mechanic T. F. Norton returned from Louisville last night.

Mr. Jim Motika, traveling engineer of the Illinois Central, between Louisville and Memphis, is in the city.

Mr. William Nourse, an engineer running between Fulton and Memphis, was perhaps fatally wounded about the face, neck and chest, in a fight at Cairo last night about 10:30 o'clock. Very meagre particulars of the fight reached this city but his assailant used a knife. It is thought that Nourse will die. He ran out of Paducah, for a short time, several years ago and has many friends here who will regret to learn of the affair.

Mr. L. A. Washington has just returned from Smithland where he attended circuit court. A judgment of \$600 was rendered against the Illinois Central yesterday. The case was a suit brought by W. F. Hennons for the lost services of his son Luther Hennons, who had an arm cut off in an accident on the railroad two years ago. He asked for \$1825, but got only \$600.

Another case, C. N. Bush against Illinois Central railroad, asking damages to property he claims has been ruined by the railroad building a trestle and thus causing the river to back up into his land, was argued yesterday and given to the jury late yesterday afternoon.

Dr. J. A. Ward, of Paducah Junction, was taken to Bolivar by Sheriff Finch of Obion county, after having been only adjudged insane, says the Fulton Leader. Ward was a brave confederate soldier who struck him in a battle, broke his skull thereby causing a depression that since the war has been getting worse and worse. Ward was totally unfitted for business. He was under the delusion that the Illinois Central owed him \$5,000 for constructing their track from Fulton to Obion and to save his soul he couldn't get 'em to settle. Ward made life miserable for Dock Caldwell, Aubrey Whipple and Olive Lamm and other lawyers attempting to retain them in his great case against the road. Sheriff Finch influenced Ward to get on the train "to take a pleasure trip," and carried him to the asylum.

Resident Surgeon Marmaduke Dillon has returned from Chicago, accompanied by Mr. Francis Bacon, general architect of the Illinois Central, who came to inspect the new hospital addition in course of construction.

A new time card will go into effect on the Illinois Central the middle of next week. It will effect all the passenger trains.

Conductor Buckley has returned from a brief business trip to Princeton.

Several changes have taken place at the Illinois Central freight house. A. W. Hunt, local bill clerk, resigned and was succeeded by Will Minnich, who was "o. d." clerk. Ed McDonald, car service clerk, succeeded Mr. Minnich, and Willie Lydon, interchange clerk, succeeded McDonald. Mr. Lydon's place was taken by Robert Moore, of Henderson.

BUSINESS WORLD

Retail Trade Picks Up and Warm Weather Helps All Lines of Business.

FARMERS WELL PLEASED

Wholesale Trade is a Little Dull With River Trade Good—Real Estate Active.

TELEPHONE COMPANY EXPANSION

Business at the banks the past week has been about normal. Clearings were about the same, aggregating \$443,159.09.

The factories report business active with plenty of orders.

Retail trade on a whole has been very good the past few days of the week, but the tardiness of spring weather has been a most potent damper on business. Yesterday and today were warm days and the indications are that hot weather will come now with a rush and not afford the retailer time to dispose of the heavier weight goods. Summer weather means crash suits and lighter garments, a surplus of finer spring stocks. It is to be hoped this won't be the case, however.

The furniture houses and home-fitters have had a continuation of active trade and are well satisfied with the season.

The furrier was the pleased man the past week. The weather was just to his liking and he got in some good days of work.

River trade continues good.

Wholesale trade is fairly active, but could be better. Collections are fair. The wholesale men as well as the retail houses are counting on the carnival to elyphen trade a good deal.

The real estate market continues very active with much business.

One evidence of the great prosperity of Paducah and the rapid strides made, especially in the past few years, is the business done by the telephone company. The Cumberland Telephone company.

Manager Joyner, in conversation with a reporter yesterday, said that when he came here the company had only 175 subscribers, while today the number is very near 1,000. He has been here, too only about eight years.

The greatest increase, he says, has come in the past two years, the number of new subscribers added during that time being more than the total added for the past six years. This is an evidence of general prosperity as to the most people the telephone is still a luxury. The number of additions each day continues large and it seems that the coming season will be the record breaker.

The company is ever increasing its capacity and adding to its splendid plant and speed of giving the city an up-to-date exchange in every way.

TOBACCO.

There was no quotable change in the leaf tobacco market this week though there appeared a large per cent in bad condition which went at prices unsatisfactory to sellers. The market was strong and active on all grades in good condition and sold at very satisfactory prices.

Receipts for week 276, offerings 113. Rejections 42.

The Famous Pants company shipped the first bill of goods today. It went to Stow Bros. at Benton. The factory is in splendid running order and the proprietors, the Messrs. Wellie and L. S. Levy, are very much pleased with conditions so far.

THE LATEST FREAK.

MR. CHAS. CURTIS GETS OFF A GOOD ONE ON THE "BUFFALOES."

Mr. Chas. Curtis, the well known drummer, has returned from an extensive trip through Illinois. As usual he has the latest.

"Did you hear about that freak baby in Illinois?" he asked a friend this morning.

"What freak?" asked the other.

"Why," explained the drummer, "the youngster had a deer face, bare feet, and its papa was a Buffalo."

A BIG DEAL

The Hillman Property on Cumberland River Sold for \$150,000.

65,000 ACRES ARE IN IT

The Same St. Louis Capitalists Have an Option on Grand Rivers Property.

BRIGHT PROSPECTS FOR LIVINGSTON

One of the largest deals of recent years in Southwest Kentucky has just been consummated, as a result of which the Hillman property, on the Cumberland river about fifteen miles from Grand Rivers, in Lyon county, has been sold to a company of St. Louis capitalists for \$150,000.

The property comprises 65,000 acres of land, on which are two furnaces. The latter will be operated and the 65,000 acres will be laid off into farms of about 160 acres each, furnishing homes for about 160 families. A great deal of the tract is ore land.

The three gentlemen composing the company are Messrs. J. W. Harrison, T. W. Morton, and E. C. Simmons, all of St. Louis. The latter is of the Simmons Hardware company, and Mr. Harrison, accompanied by Colonel T. J. Scott, formerly of Paducah, were in the city a few weeks ago en route up to inspect the tract.

In addition to this deal there is another of greater importance. The three gentlemen who bought the Hillman property have secured an option on property in Grand Rivers for \$200,000.

The Grand Rivers deal has not been closed, but the intention of the gentlemen is to buy it, and if reports are true utilize its long dormant industries.

The furnace at Grand Rivers is one of the largest charcoal furnaces in existence, having a capacity of 150 tons a day. It was run only about six weeks during Col. Tom W. Lawson's regime.

One report is that if the Grand Rivers property is bought, a wire and steel mill factory will be established there.

A great many loans have been started for Grand Rivers since its memorable collapse several years ago, but the prospect now is brighter than ever before.

CIRCUIT COURT

MONDAY THE PETIT JURY WILL BE IMPANELED.

MR. W. W. STEWART

One of Livingston County's Most Prominent Men Dies in Missouri.

VISITING HIS DAUGHTER

The Deceased Was 83 Years Old and Had Lived in Livingston all His Life.

THE FUNERAL ARRANGEMENTS MADE

Dr. P. H. Stewart this morning received from his sister, Mrs. Chas. Willis, of St. Joseph, Mo., a telegram announcing the death of his father, Mr. W. W. Stewart, of Smithland, at St. Joseph, where he was visiting. The death occurred this morning.

The news came as a great surprise and shock to Dr. Stewart, who did not know that his father was ill. He received a letter from him only a few days ago while in Chicago, which said the trip had not greatly affected him.

Mr. Stewart went out to Missouri a week ago to visit his daughter, and as he had been in failing health for two or three years, it is supposed that he died from general debility.

The deceased was born in Crittenden county near Marion, but has spent most of his life in Smithland. He was one of that county's most prominent men, and was quite wealthy. He was

83 years old and leaves several children as follows: Dr. Richard Stewart, of Denton, Kansas; Dr. P. H. Stewart, of the city, and Mr. Cade Stewart, the well known pilot. His daughters are, Mrs. Charles Willis, of St. Joseph, Mo., and Mrs. Laura Hendon, of Paris, Texas.

Dr. Stewart wired today to ascertain what is to be done with the remains, which will probably be brought here and conveyed to Smithland for burial.

Mr. Stewart was well known in Paducah, where he often came, and owned quite a number of interests here, including real estate and bank stock.
